Tuesday 10th May 2022

With the Federal Election just around the corner, there are many questions we all have regarding the formalities of the voting systems. Our guest speaker for Tuesday 10th May, will be Ann Sudmalis

She is a former Australian politician. She was a Liberal member of the Australian House of Representatives, representing the Division of Gilmore in New South Wales, from September 2013 until April 2019.

Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has.

This Week Meeting 26th April 2022

Our special guest speaker this week was a member of our group who had a great story to tell.

Lou gave us a wonderful insight into her life journey and experiences. She was honest and candid with some great stories, which was heartwarming with a dash of humour.

Thank you, Lou, for sharing with us. You have enlightened us with your knowledge.

Thank you also to Penny who spoke about the working bee at Sage Gardens Moruya on Sunday 24th. This is a project we should all get behind and support. Stuart started the gardens in 2009 and has wonderful knowledge to impart. Visit and support this great project. The working bees are held on 3rd Sunday of the month.
