On Sunday 17th April 2022, **Eurobodalla United** was invited to join our southern like-minded community members in the beautiful Bega Valley.

The focus was on building our communities and the importance of strength together.

Special thank you to Les and Dinah, along with their Bega community members for making us so welcome. It was lovely to meet members from Narooma also.

We had beautiful weather and an amazing buffet lunch as we enjoyed the farm atmosphere.

It's a dog's Life

Tuesday 19th April 2022

Our meeting was low key and we discussed our week.

Margot lightened our mood with some “GOOD NEWS” stories from the media.

We were fortunate to link up in a zoom meeting with Nina. Thanks To Stephen for his expertise in this area.

Nina is our Independent Member running for the seat of Gilmore in the upcoming Federal Election.

She addressed her 14 key areas she will be taking to the people of Gilmore in her campaign.

We thank her for her input and passion on Tuesday and wish her the best of luck.

Lets all get behind Nina and offer her our support.
